What is your family story?

What is the family history here at St. Joseph's?

This is your history, our history! Even if your history just began for you or you have been here forever, we need your story!

1. Dig in the cedar chest, closet, or wherever for old clothes or memorabilia from the school. Perhaps you have something you wore or had at church, school, Baptism, First Communion, etc. Please submit pictures and written stories (1-2 pages).

2. Invite your family to share, even those that have moved away. Invite them to the celebration too!

There will be a DVD of these stories, pictures, etc., along with events of the celebration that can be purchased after the celebration (we will edit as needed).

PLEASE SUBMIT: Please submit your information to the church office or email it to mark@slatonchurch.com.

QUESTIONS: Elaine Smith 790-4204, Clarice Andrews 549-5840.
