**SLATON SAINT JOSEPH
CENTENNIAL JUBILEE PRAYER**

Dear Heavenly Father,
from the living stones that are your chosen people, you build an eternal temple to your glory -- the one, holy, catholic, and apostolic church.

Now for one hundred years you have blessed Slaton Saint Joseph Parish with the honor of serving in that church.

We give thanks to you, Lord, for the countless men and women whose faith and vision helped build this parish and its ministries.

We praise you for all that you have done.

Please fill us with that same faith and vision as we commit ourselves to a new century of service at Slaton Saint Joseph Church and School.

We remember.

We celebrate. We believe.

And we pray in the name of the One who is the same yesterday, today, and forever: Jesus Christ our Lord.

Amen.

Honoring God's People...the 'Living Stones' of our Church

The *Living Stones Pathway and Plaza* is an important part of the *Patron Saint Shrine of Saint Joseph* that's being built to mark our church's centennial jubilee... a tribute to all who helped create Slaton Saint Joseph Parish and who continue to carry on its ministries.

Funded by those who purchase engraved brick pavers, this *Living Stones Pathway and Plaza* is our response to a request made by members of the parish pastoral council when they began planning for the parish centennial jubilee.

Defining the grounds around our new *Patron Saint Statue*, the *Living Stones Pathway and Plaza* is prominently located between Saint Joseph Church and the Parish Center.

It's a landscape design component built of engraved brick pavers that represent God's people, the "living stones" of the church (First Peter 2:5).

You are now invited to purchase one or more of these commemorative brick

pavers that will become a permanent part of the pathway and plaza around our beautiful new statue of *Saint Joseph and the Child Jesus*.

The purchase of your personalized brick pavers will help demonstrate your desire to praise our Living God, venerate our Patron Saint, memorialize a loved one (living or deceased), pay tribute to your family, recognize your Catholic organization or other intention, and provide the funding necessary for the completion of our centennial shrine.

This is a wonderful way to give thanks for these "living stones" of people who have touched and illuminated our lives and who have contributed to bringing our parish along the path of its spiritual journey.

Thank you very much for participating in this important part of our parish's centennial jubilee. May God bless you for your generosity.

Sincerely yours in the Risen Lord,

Father Nicolás Rendón
