## St. Joseph School Field Trip Permission Slip

Field Trips are a vital part of your child's educational experience at St. Joseph School. These trips are planned to supplement and enrich the classroom curriculum and will occur at various times throughout the school year. Transportation will likely be provided by volunteer drivers and with adequate adult supervision.

I understand that I will be notified, in writing, concerning my child's participation in a school field trip, along with the following:

- The date of the field trip
- The cost of the trip
- What my child will need to wear on the field trip
- Means of transportation to and from the field trip
- Any additional items he/she will need to bring for the field trip

In consideration of the child being allowed to participate in the field trips, on behalf of my child, spouse and myself, I hereby assume all risks in connection with the field trips and I further release the Diocese of Lubbock, St. Joseph School, St. Joseph Church, employees and volunteers from all claims, judgments, liability for any injury or damage due to child's participation in the field trips, including all risks connected therewith whether foreseen or unforeseen. Furthermore, I acknowledge that it is my responsibility to provide adequate health insurance for my child.

I fully understand what is involved in the field trip and I understand that I have the opportunity to call the teacher and ask Him/Her about the field trip.
